

Head Teachers Message

Dear Parent and Carer,

This week as I was stood on the gate I noticed a robin making its way in and out of the trees that surround our school. It was a timely reminder of the Big Garden Birdwatch [Big Garden Birdwatch | The RSPB](#). Spending time appreciating nature is a great way of looking after wellbeing. Perhaps take some time over the weekend or this week to join in this national event and see what you can spot! We are so fortunate to have fantastic school grounds. I look forward to later in the spring when we can begin to use our peace garden more, welcoming you and other family members into it.

Thank you for your support in testing and communicating regarding Covid19. We have started this term well and it is great to see more children back at school for more of the time. It is really important that children are at school when they can be. If your child is isolating and well then your class teacher will ensure that work is provided. Please do contact the school via email with your child's teacher or via the office if you have any queries.

This week in assembly we reflected on historical events and how they can help us to move forward in the future with hope, this was in response to Holocaust Memorial Day. We also considered our uniqueness and how we should celebrate this.

Kind regards,
Mr Gilbert

Sports update

The Eastfield Football team are top of the league after another great evening of matches! Well done!

League 1 – 7th March 21st March

School	Played	Won	Lost	Draw	F	A	GD	Points
Eastfield	12	11	0	1	24	1	23	35

Our attendance this week is 95%

Everyday matters!!! Please ensure your child attends School everyday or...

If your child is going to be absent from school please ensure you communicate with the school office as soon as possible by calling

0116 2694692.

Please leave a message regarding the symptoms/reason for absence.

Safer Internet Day

8th February

What is Safer Internet Day?

Safer Internet Day is on 8th February 2022. It's celebrated across the globe in over 170 countries, with thousands of young people joining in across the UK to explore how they can use the internet responsibly, respectfully, and creatively whilst making the most of their relationships online.

Safer Internet Day is a great opportunity to focus on online safety with your child – whether that's by using some of the quick activities in this pack, asking your child what they like to do online, or using their favourite app or game with them. You can also support Safer Internet Day on social media, tell your friends and family about the day, or ask your child for their top tips for staying safe online. Find out more here: saferinternetday.org.uk.

All
ages

Spend time online together

This year's theme is a great opportunity to have some fun and games together! Why not get everyone to write their favourite app or game on a slip of paper then take it in turns to pull from a bowl? Spend some time exploring each one as a family. Whether it's creating something together, competing or watching content, look out for the safety features and make a note of what these do, so you know where they are if you ever need them in the future.

Explore the Childnet website

Explore the Childnet website where you will find activities, quizzes and videos tailor made for children of all ages. There is also information on key topics for parents and carers, advice about specific apps and games, and activities and conversation starters you can use with your whole family.

Make a family agreement

A family agreement is a great way to start a conversation about how your family uses the internet. As well as the online safety agreement in the Parents and Carers Pack, you can find a more detailed version here: childnet.com/family-agreement.

Spring half term holiday is from 14th – 18th February 2022
