

### Head Teachers Message

Dear Parent and Carer,

I hope that the first couple of days of the Easter holidays have been going well for you and your family. We had a great end to the term with children taking their learning in their own direction. Most of our children completed some wonderful double page spreads, showing their knowledge and understanding of their recent topic. It has been wonderful to see these taking shape. Children have been working hard on their presentation to create pieces of work they can be truly proud of. Some of these are shown on our Twitter feed [@Eastfield\\_Leics](#)

To end our spring term we all gathered in the hall to celebrate the winners of the house cup and individuals who have shown their character counts in action this term. Brand new certificates designed and thought out by two of our year six pupils were presented to members of each class. We also celebrated those that have taken part in sport and the children who won this weeks maths challenges.

I wish you all a very Happy Easter and look forward to welcoming you back on Monday 25th April 2022

Kind regards  
Mr Gilbert
