

Head Teachers Message

Dear Parent and Carer,

The end of the academic year edges closer and it has been wonderful to welcome you into school this week for sports day and book looks. We have also had the opportunity to have a music concert for year 4 and children who have music lessons with Mrs Grocock. The hall was packed full of people and music that all appreciated, children played in groups and individually and really highlights the many skills children learn as they go through Eastfield. Thank you to Mrs Grocock for all of her hard work and commitment throughout the year.

Sports day was a superb opportunity to see children having a go at a range of sports, it was great to see so many of you here for the event. We thank you for your support and also thank Mr Ellis and Mr Hesketh from Marvel Coaching for their commitment to providing high quality opportunities and access to a range of sports over the past year. Next year we are hoping to provide further opportunities for children to participate in sports such as gymnastics and girls football.

Today, most of you will have received the end of year report for your child/ren. There has also been an email sent out related to this and the reporting of statutory assessments.

Our final day of term is **Thursday 7th July** (usual dismissal times) and we look forward to welcoming you back on **Tuesday 30th August 2022**. Please see information below around next years drop off and pick up times.

Have a wonderful weekend.

Kind regards

Mr Gilbert
