

## Head Teachers Message

Dear Parent and Carer,

Welcome back!

It has been wonderful to see you as you arrive and collect your children. They have all arrived at school with energy, enthusiasm and displaying wonderful behaviours.

They have said farewell to you at the gate happily and from Monday we will be supporting children in Years 1 – 6 to walk into school as soon as they arrive so that they can begin learning ASAP. Reception and Preschool children should be dropped off at their classroom doors and parents are able to walk through the gates. A huge welcome to all of our new children and parents!

Children have settled back into class quickly and are already into their learning routines. We are eager to ensure that learning becomes increasingly connected through teaching and learning processes that have been implemented and embedded over the past few years. These include the use of visuals to help children recognise what subject area they are experiencing. To find out what your children are learning please head to our [website](#).

This year we will give you opportunities to share in learning opportunities, sports day, festivals and provide time for you to meet with staff to share your own good news, queries and concerns. Our peace garden will be open to you at points throughout the year and we look forward to utilising this space more.

We are a school that is built on open, honest relationships. Members of Senior Leadership will always be available on the gate and you are able to contact class teachers via email. We look forward to seeing your children everyday and for our first full week this term.

Kind regards  
Mr Gilbert

Children have already started collecting house points as they display our character counts.

We look forward to seeing how the scores are next Friday!
